I am perfect, they way I am!

YOUR VOICELAND FOR GIRLS* FROM 14 YEARS

Your VoiceLand is for young people with and without refugee experience. We are together for 5 days (with overnight stay) at LidiceHaus and get to know each other, talk to each other, get creative together, play games and have fun. Our motto: I am right the way I am! There will be a varied and creative program on the topic of (self-)love. We want to talk about friendship, being in love, sexuality and our bodies. We want to do handcrafts, paint, felt, take pictures. You can share common thoughts, experiences and visions. Here you can get to know other young people and yourself better.

Who can participate?

Anyone 14 and older who considers themselves a girl or woman, grew up as one, or would like to be one.

When and where?

Monday, 17.st of October 10am until Friday, 21.th of October 2022, 15pm (autumn holidays) at LidiceHaus.

Food, drinks and accommodation are included and for free. We wish that you can be there every day!

Registration deadline is October 10th, 2022, the places are limited.
